Temporary assignment

Temporary delegation/assignment of the electrical safety responsibilities

In conjunction with troubleshooting and maintenance work there are a number of hazardous moments that can occur. Even when regarding external entrepreneurs and service personnel, we have a responsibility to inform about the specific risks that may exist and ensure that the rules for electrical safety compliance.

In some cases it's impossible or even inappropriate that we are responsible for personnel from external companies. After a review of risks and protection, we can occasionally make a written assignment of electrical safety responsibility for the current equipment/facility over a limited time.

Responsibility for electrical work (person) Hereby the electrical safety responsibility is transferred according to EN 50110-1 for the following:

City/date

--

Receiver Name Company

--

Deliver Name Company

--

Hereby is equipment/facility as stated above returned:
