

## MDS reporting by non-order receivers

(MDS reporting and Third-party logistics/Production Unit)

### User(s) of document

Suppliers

### 1. Purpose

The purpose of this document is to state how the MDS reporting shall be handled when other companies or production sites are reporting to the IMDS system instead of the order receivers.

### 2. Background

MDS are rejected when other companies or production units but the ones registered as order receivers in Scania's purchasing system send the report to Scania, see Appendix A.

### 3. Instructions

- Send to the Scania Authorised Customer Representative the following information:
  - Scania supplier number and IMDS organization number of reporting company or production unit
  - Scania supplier number and IMDS organization number of order receiver
- Log on to the IMDS system with your own MDS company number and password
- Specify the reporting company's information in **Supplier Data**, see picture 1.
- Specify the Scania Supplier Code of the company that are receiving the call-off from Scania in **Recipient Data**, see picture 2.
