Registration on the Group Business Platform www.vwgroupsupply.com of the Volkswagen Aktiengesellschaft (for Suppliers of Scania in Europe)

The purchasing department of Scania CV AB is using the VW RFQ systems STAR (automotive parts purchasing) and GLOBE (general purchasing), in Europe.

Suppliers that would like to receive RFQ's from Scania Purchasing, need to be registered on the VW Group Business Platform as majority of RFQ's will be performed electronically. Scania therefore encourages you to register now (registration process time 2 weeks).

The Group Business Platform

The Volkswagen Group has founded the Group Business Platform for its worldwide procurement processes and the enhancement of qualitative supplier processes.

You can present your whole ability range (products and services) of your company in a centralized system for the Volkswagen Group, no matter if you are already a supplier to Volkswagen Group or not.

Moreover, the www.vwgroupsupply.com offers an electronic information interchange on all relevant systems and information services of the whole process chain. Each component accelerates your and our process and forms the basis for a future collaboration.

The basic prerequisite for a successful collaboration with a fully completed registration on the Group Business Platform. We therefore ask you to register yourself in on www.vwgroupsupply.com.

Information on the registration process and DUNS-Number are available to you under the menu "Team up with us". After having completed the registration process you must print out the B2B User Agreement, have it signed and send it back to us in original by post in order to be able to use the Group Business Platform without any restriction. Detailed information will be available to you during the registration process as well.

In case you are registered and already working with the Group Business Platform, please ensure that the responsible company administrator has defined the contact person for Scania Group as a user in the User Management System (UMS).

Should you have any questions or need assistance please send an email including your company name and DUNS-Number to: B2BTeam@vwgroupsupply.com
