## News

### NILE Packaging

18 September 2023

Edit

Edit

The image shows a browser window with a 'Cookies in use' dialog box. The dialog box has two tabs: 'Allowed' and 'Blocked'. Under 'Allowed', it says 'The following cookies were set when you viewed this page'. A single entry is listed for 'nilepackaging-preprod.logit.prod.aws.scania.com', which is circled in red. Below this entry is a table with the following fields: Name, Content, Domain, Path, Send for, Created, Expires, and Expires. Each field has the text 'No cookie selected'. At the bottom of the dialog box, there are three buttons: 'Block', 'Remove', and 'Done'. A red arrow points to the 'Remove' button, and the text 'REMOVE ALL' is written in large red letters across the dialog box.

The background website is the Scania NILE Packaging portal. It features a dark blue header with the Scania logo and 'NILE PACKAGING' text. Below the header is a navigation menu with items: Home, Create Order, Order, Packaging Operations, and Balance. A search bar is located below the navigation menu. The main content area is titled 'Deviations' and includes a section for 'Region specific deviations' with a dropdown menu showing 'Europe - Nordic' and a count of '3'. Below this is a news section titled 'NILE Packaging' with a sub-header 'September 2023' and a large photograph of a warehouse filled with stacks of green and white boxes on pallets.
